## The Lord's Prayer Ribbon

with tassels

## The Lord's Prayer Ribbon:

The Lord's Prayer Ribbon is plaited of three strings signifying the Triune God. There are seven knots or beads on the rope representing the seven prayers in The Lords Prayer and a tassel at each end for the beginning and the end of the prayer, there are nine strings in each tassel.

3 strings for the Triune God.

7 knots or beads for the seven prayers of the Lord's Prayer.

2 tassels for the beginning and the end.

9 strings in each tassel for the nine prayer strokes.

In Denmark the bell ringing in the morning and the evening and before the church service is always completed with nine (three times three) strokes on the bell, called the prayer strokes.

Say the Lords Prayer in your heart while you tie the rope.

It is a good thing to drag the prayer ribbon between your fingers and feel the knots, while you meditate on the Lord's Prayer.

### Beads and Colours

The seven prayers of the Lords Prayer can be marked with seven knots or with beautiful beads.

You can use any kind of yarn and any kind of beads you want, when you make your own Our Father Prayer Ribbon.

And you can use any colours you like, but colours may have significance, and it is worth thinking about. When you plait The Lord's Prayer Ribbon, you have the opportunity to express yourself with colours. For example, use blue and green and red for faith and hope and love, or white for joy or black for grief. There are many possibilities.

You can also fix a cross on the prayer ribbon. It looks good, and it marks the Prayer Ribbon as a Christian prayer ribbon.

Our Father in heaven,

hallowed be your name.

Your kingdom come,

your will be done, on earth  
as it is in heaven.

Give us this day our daily  
bread,

and forgive us our debts,  
as we also have forgiven  
our debtors.

And lead us not into temp-  
tation,

but deliver us from evil.

For yours is the kingdom  
and the power and the  
glory, forever.

Amen
